How to find us

We are situated in Letchworth and the best way to get to us is; if you are coming from the A1 come off at junction 9 Letchworth and head towards Letchworth. At the first longabout follow the road ahead (3rd exit off). At the next roundabout (sign posted A505 Hitchin, Letchworth town centre, Baldock) turn right, taking the 3rd exit off. Follow the road towards Baldock (B656) and at the roundabout ahead turn left (Avenue One). Follow that until the end. Herts. Roadtrain and Aztec Logistics will be directly in front of you. Please pull up at the barrier and either ring our number or text and the barrier will open. We are in the buildings to the left but you will need to park your car in the car park to the right.

Why do people choose Herts.RoadTrain?

Perhaps it's because we're friendly, reliable, honest and above all, patient.

We offer good value, good quality and our customers enjoy their training with us. Our instructors' smiles are natural and permanent (even if your driving does frighten them!) Our instructors cannot be bribed with doughnuts!

We care about what we do because we always remember what it's like to be a customer. Our customers come back to us and recommend their friends so we think we're mostly getting it right. During your training you get the opportunity to tell us if we need to make changes.

RoadTrain has been in business since 1986 and we've trained many thousands of drivers. Many well-known companies use us as their training provider, including RAC, AA, Exel Logistics, Sainsburys, McDonalds Stanstead Airport and the London Fire Brigade to name but a few.

If you're still not sure, give us a call and book a trial drive. No obligation, no terms and conditions, no government health warning and your home is not at risk. (small charge for fuel refundable on booking)

Now the serious bit... the following pages tell you more about what we offer and why. But if you have any questions, please call us.

Accreditation

The only way to ensure that a driving school can provide all the facilities you need to train and pass your driving test successfully is to choose a DSA Accredited Driving School.

RoadTrain is one of only a few DSA accredited schools in the UK and there are no others in this area. This makes Herts. RoadTrain the only sensible choice for your investment as the DSA recommend that you choose an accredited school.

Fully Qualified Instructors

All of our instructors have to pass their commercial IAM qualification and are fully qualified, DSA registered instructors. This means that they are constantly monitored by the DSA on the knowledge and skills needed to provide high quality, professional tuition.

Free Trial Drive

Anyone can take our no-obligation, free trial drive. This will allow you to try out our vehicles and meet our instructors before deciding to book a course. If you do not yet hold a provisional licence, we can offer the free trial drive on private ground. Free trial drives are available on weekdays or at weekends.

Vehicles

Our vehicles are like our instructors - full of life and raring to go. Our rigid and articulated vehicles are realistically sized trucks as these are the type of vehicles you are likely to drive in your new career. Our spare vehicles ensure that your training should not be disrupted due to any unforeseen circumstances.

High Pass Rate

We have an extremely high pass rate and you are welcome to review as many past test results as you choose.

Courses

Your course will be a structured 5-day, 40 hour, shared course with a DSA registered instructor. The course follows the DSA syllabus ensuring that you cover all the elements you are expected to know for the driving test. To secure a course date a part payment of £200 is required at the time of booking.

DSA Accreditation

To find your nearest DSA accredited school go to www.dsa.gov.uk then click on 'instructors' and scroll down to 'LGV voluntary register - centre accreditation'. Don't take a risk by choosing a school which is not DSA accredited!
