Why do people choose Roadtrain?

Perhaps it's because we're friendly, reliable, honest and above all, patient.

We offer good value, good quality and our customers enjoy their training with us. Our instructors' smiles are natural and permanent (even if your driving does frighten them!) Our instructors cannot be bribed with doughnuts!

We care about what we do because we always remember what it's like to be a customer. Our customers come back to us and recommend their friends so we think we're mostly getting it right. During your training you get the opportunity to tell us if we need to make changes.

Roadtrain has been in business since 1986 and we've trained many thousands of drivers, some of whom still pop in for a cuppa and a chat. Many well-known companies use us as their training provider, including RAC, AA, Exel Logistics, Sainsburys, McDonalds and the fire service to name but a few.

If you're still not sure, give us a call and book a free trial drive. No obligation, no terms and conditions, no government health warning and your home is not at risk.

Now the serious bit... the following pages tell you more about what we offer and why. But if you have any questions, please call us.

Accreditation

DSA is the Department of Transport Executive.

www.dsa.gov.uk.

The only way to ensure that a driving school can provide all the facilities you need to train and pass your driving test successfully is to choose a DSA (Department of Transport) Accredited Driving School.

Roadtrain is one of very few DSA accredited schools in the UK. This makes Roadtrain the only sensible choice for your investment as the DSA recommend that you choose an accredited school.

Our Instructors

Are fully qualified, DSA registered instructors. This means that they are constantly monitored by the DSA on the knowledge and skills needed to provide high quality, professional tuition.

Roadtrain Instructors are also members of the I.A.M

Free Trial Drive

We recommend you take our no-obligation, free trial drive. This will allow you to try out our vehicles and meet our instructors before deciding to book a course. If you do not yet hold a provisional licence, we can offer the free trial drive on private ground. Free trial drives are available on weekdays or at weekends.

Anyone can send you a nice brochure, the best information you can get is by a hands on visit.

Vehicles

Our rigid and articulated vehicles are realistically sized trucks as these are the type of vehicles you are likely to drive in your new career. Our spare vehicles ensure that your training should not be disrupted due to any unforeseen circumstances.

High Pass Rate

We have an extremely high pass rate and you are welcome to review as many past test results as you choose.

Courses

Our courses follow the DSA syllabus ensuring that you cover all the elements you are expected to know for the driving test. If you would like to check course availability please call your local Roadtrain Office.

DSA Accreditation

To find your nearest DSA accredited school go to www.dsa.gov.uk then click on 'Driving Instructors and Trainers'. On the left menu click 'LGV Voluntary Register', then click 'Accreditation Scheme'. Don't take a risk by choosing a school which is not DSA accredited!
